About KDYS

K.D.Y.S. aims to enable young people to gain for themselves, the knowledge, attitudes and skills necessary to meet their own and others developmental needs.

The KDYS was set up in 1971 as a support structure for youth clubs in the Kerry Diocese. It is affiliated to Youth Work Ireland. Over the last thirty eight years it has established centres in Listowel, Tralee and Killarney, Killorglin and Castleisland, providing a range of youth work responses to meet the changing needs of young people. These include youth clubs for young people in rural areas, youth information centres, community-based projects in urban housing estates, programmes for early school leavers and young people at risk and family support programmes.
